## Profile Summary

Dynamic and skilled Professional Photographer and Videographer with a proven track record of capturing stunning visuals that tell compelling stories. Proficient in a range of photography and videography techniques, with expertise in post-production editing and a keen eye for detail. A creative thinker dedicated to delivering high-quality content that exceeds client expectations. Adept at collaborating with diverse teams and managing projects from concept to completion, ensuring every visual project reflects artistic vision and professionalism.

## Education

### Diploma in Photography and Filmmaking

Branch: karaj

Institute/School: National Instructor

Training and Research Center (NITC)

Karaj, Alborz, Iran

September 2024 - October 2024

My field of study is Industrial Engineering,

Bachelor's degree from Islamic Azad

University. I have a professional and

portrait photography degree from Alborz

Province Teacher Training College.

## Work Experience

---

### Professional photography and videography

Darvishi Studio

Karaj, Alborz, Iran

May 2017 - Present

#### Tasks and Achievements

---

- I have been working as a freelancer and individual since 2021. Captured high-quality images and videos for various events, ensuring client satisfaction through creative and technical expertise.
- Edited and produced professional-grade video content, utilizing software like Adobe Premiere Pro and Final Cut Pro to enhance visual storytelling.
- Collaborated with clients to conceptualize and execute unique photography projects, resulting in a diverse portfolio that increased client referrals by 30%.
- Managed on-site photography sessions, demonstrating strong organizational skills and the ability to adapt to changing environments and lighting conditions.
- Developed and maintained a robust online presence, leveraging social media platforms to showcase work and attract new clients, leading to a 50% growth in business.

## **Projects**

---

### **Professional Photography Portfolio Project**

For: Wildlife of Iran

2025

The Iranian Animal and Wildlife Portrait Project is a work that is incomplete due to climate change, the decline in animal populations, and even the extinction of some species, but I am trying to take the necessary steps to complete this project once again.
